## SHIPPING AND DELIVERY INFORMATION

UNIVAIR is able to ship the majority of orders for "in-stock" items within 2 to 4 days after the receipt of the order. Items that are not in stock will vary in delivery times according to the delivery time from our suppliers.

We attempt to ship RUSH (AOG) orders the same day as ordered. Specific details as to how you want the order to be handled should be discussed when the order is placed. If the nature of the items being shipped will allow, RUSH (AOG) orders will be shipped by air freight or express air carrier. Considerations such as items being in stock, packing requirements, and time during our business day when the order is placed may preclude same day shipment. We do not charge an extra fee for RUSH (AOG) orders. However, to accommodate the prompt processing of RUSH (AOG) orders we request that our customers declare an order a "RUSH" or "AOG" order only when necessary, and limit the number of items to those are most needed.

Additional information concerning shipment of orders, or requirements of various carriers can be obtained by contacting us or referring to the *Order & Shipping Information* section in the back of our general catalog.
